

Danshui

Do you like to be near the water? Do you like delicious food? Do you like to see beautiful sunsets? You can do all of these things and all you have to do is ride the MRT to get there!! That's right, one train ride to Danshui and you can have an entire day of enjoyment!

Many people like to be close to the ocean or river...are you one of them? In Danshui you can walk along the beautiful river, or you can take a boat ride on the ocean. You will feel relaxed if you do. You will enjoy the fresh air and the pretty scenery along the way.

After your boat ride you will probably be very hungry. That is not a problem in Danshui. You can get many delicious snacks along the river. For example, you can try the fried squid or the many different kinds of cakes and candies. You will have a hard time choosing a snack because there are so many. You will not be hungry for long in Danshui!

Last, after eating you can watch the beautiful sunset. There is no better place to see the sunset in all of Taiwan!! Your family and friends can also enjoy this with you. You will never forget the time you spend in beautiful Danshui!
